1.8 MILLION DOLLAR TACS SETTLEMENT

By: Joe Lewis; President

In 2018 our Business agent Chuck Locke filled a District wide class action grievance. It is with great appreciation to his hard work he was able to settle a 1.8 million settlement for all the Nevada Lead Clerks.

I would deeply and personally would like to thank Chuck Locke for his continuing support and dedication to all APWU members.

This special edition lists the names of the Clerks known to us at this time to be eligible for the monetary remedy settlement of the Lead Clerks TACS grievance.

If you held a Lead Clerk bid at any time from June 1, 2018, through May 17, 2022, you may be eligible for the monetary remedy. If you think you are eligible, and your name is not listed, you must complete the Sierra-Nevada District TACS Form printed in this Special Edition and follow the instructions exactly.
